About Centre of Vocational & Futuristic Studies

The Centre of Vocational & Futuristic Studies (CVFS) provides comprehensive educational programs designed to meet the practical needs of various professional fields. CVFS offers a range of programs, including Certificate, Diploma, Advanced Diploma, and Bachelor of Vocational (B.Voc) courses, with specializations in Hotel Management, Hospital Management, Medical Lab Technology, Physiotherapy, and Operation Theatre Technology. Further, various other streams such as Multimedia, GIS and Artificial Intelligence will also be introduced. These programs are structured with multiple entry and exit points, allowing students the flexibility to join and leave at different stages, earning recognized qualifications at each level. An integral part of the curriculum is the inclusion of paid internships, ensuring that students gain hands-on experience and industry exposure. CVFS guarantees 100% job placement for all its graduates, facilitated through partnerships with leading companies in the respective fields. This commitment to employability is further supported by a curriculum developed in collaboration with industry experts, ensuring that students acquire both theoretical knowledge and practical skills essential for their careers. Through these initiatives, CVFS aims to equip students with the competencies needed to thrive in their chosen professions and adapt to the dynamic job market.

Why Choose Us

Choosing the National PG College is a wise decision for several compelling reasons. Firstly, the college boasts a stellar reputation for its industry-relevant curriculum and experienced faculty, ensuring that students receive top-notch education and practical. Secondly, the institute's state-of-the-art facilities, including well-equipped kitchens, mock hotel setups, and modern classrooms, provide an immersive learning experience. Additionally, National PG College has a robust network of industry connections and a strong network for placing students in prestigious hotels and restaurants, offering promising career opportunities. Lastly, the institute's commitment to fostering personal and professional growth, along with its emphasis on character development and soft skills, ensures that graduates are not only skilled but also well-rounded individuals ready to excel in the dynamic world of hospitality.

Vision

National PG College envisions itself as a global leader in education, dedicated to shaping the future of the industry. We strive to be recognized for our unwavering commitment to excellence, innovation, and sustainable practices in preparing students to become the finest hospitality professionals in the world. Our vision is to create a diverse and inclusive community of learners who embody the highest ethical standards, while consistently exceeding the expectations of the ever-evolving hospitality industry.

Mission

Our mission is to provide a transformative educational experience that equips students with the knowledge, skills, and mindset necessary for success in the dynamic world of hospitality. We are committed to delivering a curriculum that combines academic rigor with practical, real-world applications, ensuring our graduates are not only industry-ready but also forward-thinkers and innovators. We aim to foster a culture of lifelong learning, adaptability, and social responsibility among our students, preparing them to excel in a globalized and ever-changing hospitality landscape. Through research, collaboration, and industry partnerships, we contribute to the advancement and sustainability of the hospitality sector while promoting the well-being of our students and the communities we serve.

About Us

Prof. D. K. Singh Principal

Prof. D. K. Singh, a young and dynamic academician, after being selected by the Higher Education Service Commission, Uttar Pradesh, Prayagraj and being recommended by the Directorate of Higher Education, Uttar Pradesh, Prayagraj, took charge as the Principal at National P.G. College (Autonomous) on November 15, 2021, and is currently serving as the Principal of National P.G. College (Autonomous). Before this, he was selected by the Higher Education Service Commission and began his tenure as an Assistant Professor of History (Asian Culture) at Kalicharan P.G. College, Lucknow on September 6, 2001. Eventually, got selected for the position of Principal while serving as a Professor. During his tenure at Kalicharan P.G. College, he successfully fulfilled the responsibilities of Principal for approximately 10 years (2011-2021). He is also appointed as a member of the IQAC Cell of the NAAC State by the Government of Uttar Pradesh. Additionally, he has been nominated as a member of various academic, administrative, and selection committees by Lucknow University. Four books and more than two dozen research papers related to the subject of History have also been published.

He is well known for his innovative approach and entrepreneurial spirit; Prof. Singh has been instrumental in launching several new and groundbreaking courses at the college. His vision is to blend traditional education with modern analytical techniques to provide students with a holistic and futuristic learning experience. Under his leadership, the college has introduced unique programs such as Global Human Management, which explores the intricate connections between human dynamics and astronomical analysis. This course delves into the origin and life of the universal figure, Ram, using advanced astronomical techniques to offer a fresh perspective on historical and cultural studies.

Prof. Singh's commitment to fostering entrepreneurship and innovation is evident in his efforts to create an educational environment that encourages creativity, critical thinking, and practical application of knowledge. His dedication to academic excellence and progressive education makes him a pivotal figure in shaping the future of higher education at National P.G. College.

Our Team

Discipline

Students are required to maintain strict discipline in the campus. Smoking is prohibited. Consumption of alcohol or drugs during the course of study on campus is strictly prohibited. Ignorance of rules shall not be entertained as a plea for violating any rule. Violation of the rules, unsatisfactory progress, irregular clearance of fees/ dues, showing discourtesy to the principal, faculty, and staff members in any form, etc. are some of the offences that may make students liable for disciplinary action, suspension and even expulsion from the Institute. Students must attend the classes in proper uniform and must possess proper practical tools, textbooks, journals etc.

Hostel Rules & Regulations

- Indiscipline and violation of hostel rules will lead to expulsion from the hostel and forfeiture of hostel fees and security deposit.
- Visitors are not permitted in the hostel. Any money that boarders may bring with them must be deposited with the Accounts/ Hostel Superintendent / Warden.
- Parents are requested not to give excess money to their wards. In case of illness, every possible care is taken. When a boarder is admitted into the hospital, parents are informed at the earliest. However, should the situation warrant that the child be taken to the hospital, the Institute will do so even before the parents can be informed.
- All boarders are to bring their clothes, bed sheets, pillows, blankets, buckets etc. for their personal use. Hostel Fees, Mess Fees should be paid on time to avoid expulsion from the hostel.
- Electrical and electronic equipment are not allowed inside the hostel (except laptops).
- Each meal should be taken within the scheduled time.
- Night halts outside the hostel without permission is an offence. Boarders are not allowed to keep guests/ friends inside the rooms without the permission of the warden.

Our college

National Post Graduate College was established in the year 1974 by the then Chief-minister of Uttar Pradesh, Late Chandra Bhanu Gupta. The college is situated close to the banks of river Gomti in the heart of the city has a lush green campus and is surrounded by several major institutions - Academic and Administrative.

In a city of 16 Universities and more than 150 degree colleges, National P.G. College is the only college which enjoys the highest status of CPE (College with Potential for Excellence) and Autonomous Status. The College offers undergraduate and post-graduate courses in Arts and Commerce faculties and undergraduate courses in Science and Computer faculties. The college also offers undergraduate and post graduate programs for skill development under Deen Dayal Upadhyay Kaushal Kendra established with the special grant from University Grants Commission (UGC). There are six programs being offered under the scheme - two one-year programs under Community College and two degree and two post graduate programs under Deen Dayal Upadhyay Kaushal

Smart Classes

Introducing smart classes at the Centre for Vocational & Futuristic Studies marks a significant step forward in our commitment to providing students with the best possible learning experience. These innovative classrooms are equipped with state-of-the-art technology that seamlessly integrates multimedia, interactive displays, and educational software to enhance

the learning processes. With smart classes, our students can delve into complex hospitality concepts with greater clarity and depth, making the learning journey not only more engaging but also more effective.

Through these immersive smart classrooms, we aim to foster a dynamic and interactive learning environment where students can actively participate, visualize complex concepts, and collaborate on projects. This technology empowers our educators to deliver content in innovative ways, catering to diverse learning styles and preferences. As we embrace smart classes, we are not just keeping pace with the advancements in education but also setting new standards in the realm of hospitality education, ensuring that our graduates are not only well-informed but also well-prepared for the challenges of the industry.

Make your Career

in the largest growing industry

The hospitality industry stands as the largest and most rapidly expanding sector in the global economy, continually setting new benchmarks for growth and employment opportunities. With its diverse segments encompassing hotels, restaurants, travel, tourism, and event management, this industry not only stimulates economic activity but also plays a pivotal role in shaping cultural exchanges and creating memorable experiences for people worldwide.

Fueled by increasing globalization, changing consumer preferences, and emerging trends in travel and dining, the hospitality sector consistently demonstrates its resilience and capacity for innovation, making it an exciting and dynamic field for career growth and investment.

International Placement

Our International Placement Cell is a testament to our global approach to nurturing talent for the hospitality industry. With a steadfast commitment to securing promising career opportunities for our students, we bridge the gap between education and employment by offering placements not only in the thriving hospitality hubs of UAE, Europe, America, and Australia but also in diverse international destinations. Leveraging our extensive network and industry partnerships, we provide students with the chance to embark on truly international careers, offering them the prospect of gaining invaluable global exposure, expanding their horizons, and contributing their skills to renowned establishments across the world.
